

Privacy Policy for "nail it" App

Last Updated: April 2025

The "nail it" app (hereinafter: "the App") respects the privacy of its users and operates in accordance with privacy protection laws. This policy outlines how users' personal information is collected, stored, and used.

1. Information Collected

When using the App, the following personal information may be collected:

- Full name
- Email address
- Photos
- Contacts
- Friends list and/or linked users
- Personal description provided in the user profile

Additionally, technical data about the device and app usage may be collected via Firebase (such as device ID, device type, in-app activity, etc.).

2. User Profile Creation

Users register and create a personal profile, which includes name, email address, profile picture, personal bio, and friends list. This information may be visible to other users depending on account settings.

3. Permissions Access

The App may request access to the following permissions:

- Camera
- Photo gallery
- Microphone (for voice chat)
- Contacts (to allow inviting friends to the App)

4. Use of Information

Information is collected for the following purposes:

- Proper functioning of the App
- Creating user profiles
- Enabling sharing and friend invitations
- Displaying personalized content
- Improving user experience

5. Third-Party Advertising

The App may display advertisements through third-party services (e.g., Google AdMob). These services may collect technical information about your app usage in order to deliver personalized ads. The use of this information is governed by the privacy policies of those third parties, over which we have no control.

We do not share personal data with third parties unless explicitly required for the operation of the App or for complying with legal obligations.

The App or its third-party services may use cookies or similar tracking technologies to improve functionality and personalize content.

6. Data Storage

The information is securely stored on Google's Firebase servers, which are located outside of Israel (e.g., in the USA and Europe), in accordance with Google's security and privacy policies.

7. Age Restriction

The App is intended for users aged 13 and above only. We do not knowingly collect personal data from users under this age.

8. User Rights and Data Deletion

Users may request the deletion of their personal data by contacting us at nailit2525@gmail.com. We will handle such requests in accordance with applicable privacy laws.

9. Contact for Privacy Matters

For any questions or concerns regarding privacy, please contact us at: nailit2525@gmail.com

This policy may be updated from time to time. Significant changes will be communicated via the App or by email.
